## Certificate in Cyber Security

# Future proof your rewarding career in the ever-growing cyber security industry

Digital literacy and data security are much sought after skills in today's world as businesses are vulnerable to cyber-attacks. Equip yourself with expertise in cyber security and future-proof a promising, rewarding career in this ever-growing industry. This online course is designed to introduce you to cyber security and provide sound knowledge through 11 different modules. You will learn all concepts, threats, challenges and best practices applied in the industry. Upon completion, you can confidently work in house, as part of an IT security agency or even start your own business.

### Did you know?

According to the ACSC, one in four Australians were hit by cybercrime last year. Cyber crime has cost the Australian economy up to \$1 billion annually in direct costs alone.

# About Us

Courses4me is the leader in online education with decades of experience in both public and private education. Our founders have a combined 30 years of expertise in education and training and have joined forces to deliver high-quality, low-cost education to anyone wishing to advance their career.

**Accredited by**

We are proud to announce that all our courses at Courses4Me are accredited by the International Council for Online Educational Standards (ICOES), a respected global organisation dedicated to ensuring the quality of online education. This prestigious accreditation signifies that Courses4Me has met the rigorous standards set by ICOES, solidifying our reputation for delivering excellence in online education worldwide. We are committed to providing high-quality courses and look forward to welcoming students from around the globe to our accredited programs.

**Endorsement from**

*Quality for Excellence in Education*

All online courses offered by Courses4me are fully endorsed by the International Approval and Registration Centre (IARC), a quality control system for education programs and courses in international education. Based in Queensland, Australia, the IARC's Committee Board of accomplished education professionals work to endorse quality education courses in the international market. The IARC endorsement ensures that Courses4me maintains a high level of respect in academic circles within a range of disciplines in Australia and beyond.
